Referent 主讲人	Jean Kunkler 先生
Sprache 语言	Englisch 英语
Ort 活动地点	ZOOM
Meeting-ID 会议号	920 426 68425
Password 会议密码	123456

The Double Degree Program between TU-Darmstadt and Tongji University is an exemplar of cross-cultural academic collaboration. This presentation delves into the multifaceted experiences of students enrolled in the program, highlighting the nuances of cultural differences that manifest in seminars, classes, and examination environments. We will also explore the diverse curriculum topics and the differences when seeking a PhD position in Germany. Special emphasis will be laid on the journey of international students transitioning to Germany. From navigating the complexities of securing accommodations to understanding the process when applying for courses. Moreover, we will address vital contacts for academic and administrative queries, thesis-related concerns, and the attendance requisites for classes. Attendees can expect to gain a insight to the double degree program and the broader experience of being an international student in Germany. Additionally, the viewpoint of a German student in China will be covered.

达姆施塔特工业大学与同济大学的双学位项目是跨文化学术合作的典范。本次讲座将从多方面深入探讨该项目学生的经历，重点介绍中德研讨会、课堂和考试环境等方面体现出的细微文化差异。我们还将探讨不同的课程主题以及在德国申请博士时的差异。我们将着重介绍国际学生在德国的求学历程，例如寻找住宿的复杂性和课程申请流程等。此外，我们还将介绍与学术问题和行政问题相关的重要联系方式、与论文相关的问题以及上课的出勤要求等。

与会者将深入了解该双学位项目以及国际留学生在德国的广泛经验。此外，我们还将介绍德国学生在中国的生活。

Referent: Jean Kunkler, Doppelmasterstudent in Material Science an der TU Darmstadt und der Tongji-Universität

主讲人: Jean Kunkler, 达姆施塔特工业大学和同济大学材料学双学位项目硕士研究生
